

## Learning Exploration: Stone Age to Iron Age Britain

Children need to recognise the importance of community and how communities are formed, developed and maintained. Children will discover how communities, including communities in their local area, established themselves and made links with other communities, through trade and communication, to form wider civilisations. Whilst many children have some knowledge of dinosaurs and the Jurassic period, and realise that it happened 'a long time ago', this will be an opportunity to look at prehistory and start to place periods onto a timeline.

### Hook into learning:

Children will:

- Become 'Artefact hunters' to discover our learning exploration in the Go Wild area
- Explore artefacts borrowed from the Museum of Barnstaple and North Devon

## Journey through the exploration

Pupils will begin this Learning Exploration by being immersed and engaged in a 'hands on' experience, through the use of artefacts to elicit any knowledge they have from periods of prehistory and the Iron age. Pupils will explore how human lives changed dramatically in these time periods, in particular, how early local trade routes began. Through this unit they are able to understand how a sense of community emerged as essential for human survival and compare this to our modern day need to be valued and part of a community.

# Parent/Carer Curriculum Information

## Year 3

### Linked subjects

Through this exploration, learning will be linked where appropriate, including in the following subjects:

- History - the history of Britain from Stone Age to Iron Age. Placing the period on a timeline in relation to prior learning.
- Guided Reading- linked books
- DT - designing and making a healthy lunch for an archaeological dig
- IT - designing a stop frame animation based on Stone Age civilisation

The following subjects will be taught discretely:

- PSHE - Celebrating difference
- Geography - Describe the properties of the earth's layers. (*Science link – Rocks*) Name different types of weathering and describe how physical, chemical and biological weathering changes rocks.
- Science - Rocks and fossils
- French - learn some greetings, locate France on a map. recognise some landmarks in France (and Paris)
- PE - dance (choreograph Christmas performances)
- RE - What is it like for someone to follow God?

### Maths

Children will explore:

- Place Value (within 20)
- Addition and Subtraction (within 20)

### Writing

Children will explore the following genres of writing:

- Fiction: *Escape from Pompeii* by Christina Balit
- Non-Fiction: *Rocks* by Georgia Amson-Bradshaw

Opportunities for writing across the curriculum:

- Writing letters in the role of Boudicca to other Celtic tribes

# Parent/Carer Curriculum Information

Year 3

## Opportunities to build cultural capital

Cultural capital is the essential knowledge that pupils need to be educated citizens, introducing them to the best that has been thought and said, and helping to engender an appreciation of human creativity and achievement.

At NCSPA, we aim to build cultural capital through experiences such as trips, visitors, music and providing local links.

For Year 3, options this term may include:

- Visit to the Museum of Barnstaple and North Devon to explore information about Stone Age-Iron Age settlements and archaeological finds in the local area
- Drama workshop with Rob Pudner from Entertainingly Different

## Opportunities for shared outcomes

Children will have the opportunity to produce or take part in one or more of the following:

- 'How communities were built' role play/workshop
- Stone Age to Iron Age drama workshop

## Opportunities to address Equality, Diversity and Inclusion

Children will be given opportunities to:

- Explore roles within a community from studied time periods (Stone Age, Bronze Age and Iron Age)
- Explore how trade with other communities and countries engendered change within communities, such as communities becoming less nomadic over time

## Further curriculum information

If you would like any further information regarding the curriculum, please:

- Speak to Mrs Lees or Mr Sherwin.
- See your child's class information on Seesaw.
- Contact Mrs Louisa Buttel (Curriculum Leader), through the school office.
- Visit the Curriculum pages on our website.

Autumn Term 2, 2023
