

ATTENDANCE AND PUNCTUALITY POLICY

Date Adopted: July 2022
Author/owner: Tarka Learning Partnership Board of Trustees
Anticipated Review: June 2024

Aims

Tarka Learning Partnership (TLP) is committed to maximising educational opportunities and achievement for all children/students. For pupils to gain the best from their time at one of the Trust's schools, it is vital that they achieve excellent attendance and punctuality. We strive for 100% attendance for all children/young persons. We understand that pupils can be genuinely ill and absent for other justifiable reasons such as supporting a family with a bereavement. There will be young people who, for long-term health reasons, need time out of school which needs to be carefully managed by the agencies involved and this policy seeks to support and not to imply blame or guilt. TLP actively promotes excellent attendance and discourages unjustified absence. TLP recognises that promoting excellent attendance and punctuality prepares children for the disciplines of both future education and adult working life.

Guiding Principles

- It is the responsibility of everyone in each Academy (the word academy refers also to schools) to improve attendance and punctuality.
- Each Academy needs to ensure that all young people access a full-time education which meets their needs and allows them to realise their potential.
- Each Academy will strive to provide a safe and caring environment where each pupil can engage in all opportunities offered.
- Each Academy will work with children and their families to ensure every child attends regularly and punctually.
- Each Academy will challenge the behaviour of those children and parents/carers who give a low priority to attendance and punctuality.
- Each Academy will provide an effective system of communication with parents/carers together with appropriate agencies to provide mutual information and support.
- Each Academy will use the BromCom attendance recording systems in order to provide accurate information and to use suitable tracking strategies to recognise any trends that can damage good attendance and learning.
- Each Academy will support all aspects of the Education Act 1996 and the Children's Act 2003: 'Every Child Matters' by implementing this policy in a consistent manner.
- Each Academy will have regard to the Disability Discrimination Act 1995 and reasonable adjustments will be made for young people.
- Each Academy will have regard to those pupils who have long term health conditions where outside agencies
- require attendance at appointments and time in hospital during school hours. Each Academy will seek to support the child's needs prior, during and after medical treatment where possible.

What parents can expect from each Academy:

- We will promote excellent attendance and punctuality and will investigate any unexplained and/or unjustified absence.
- We will work closely with parents/carers where a child's absence is cause for concern.
- We will support children to achieve excellent attendance and punctuality.
- We will support children returning to school after prolonged absence.
- We will continue to offer academy based support for children with additional needs, including health, special educational needs and mental health needs.

What each Academy expects from Children/Young Persons:

- To attend regularly and on time
- To be punctual to all lessons
- To ensure all messages and notes from parents/carers are taken to the appropriate place as per the individual Academy's system. All absences should be accounted for by parents.
- To ensure they register at the school office if on occasion they are late as per the individual Academy's system

What each Academy expects from Parents/Carers:

- To ensure their child/young person attends regularly, punctually, dressed in full uniform and equipped to learn.
- To ensure their child/young person attends every day the Academy is open unless they are too ill to do so.
- To avoid keeping their child/young person away from the Academy for any reason other than illness or other authorised explanation (see below).
- To arrange holidays during Academy holidays unless there are exceptional circumstances (see below)
- To immediately inform the Academy Reception if their child is unable to attend, including the reason for absence and expected date of return.
- If no indication of a return date has been given, parents/carers should contact the Academy on each day of absence.

Registration

- The law requires the register to be taken twice a day – at 8.35am at the start of the morning session and 12:45 pm (YrR)/ 1.05pm (Yr1-6) at the start of the afternoon session. Nursery at 8.45am and 12.45pm.

- Children are expected to arrive before 8.35am in order to be ready for the start of the first lesson at 8.35am.
- Registers close at 8.35 am in the morning. After 8.35 am children will be marked as late, after 08:55 children will be marked as an unauthorised absence unless a satisfactory explanation has been received. For the afternoon session registers close at 12.45 pm (YrR) and 1.05 pm (Yr1-6)
- The register is marked using the DfE Attendance and Absence Codes (see Appendix 1).
- Guidance on applying the Education (Pupil Registration) Regulations 2006, The Education Act 2002 - section 32 , The Education Act 1996 – section 551(1) • The Education (School Day and School Year) (England) Regulations 1999 and The Changing of School Session Times (England) (Revocation) Regulations 2011 can be found in [School attendance guidance May 2022 \(publishing.service.gov.uk\)](https://www.publishing.service.gov.uk/guidance/school-attendance-guidance-may-2022)

Authorised/Unauthorised Absence

- Authorised absence is where the Academy has given approval for absence in advance or where the explanation given afterwards has been accepted as satisfactory justification for the absence. Parents/carers may not authorise absence; only the Academy can do this.
- Parents/carers should contact the Academy Reception (by telephone) on the morning of absence (preferably before 8.25am) giving a reason and an expected date of return.
- Absence may be authorised for such reasons as:
 - Significant illness
 - Unavoidable and non-routine medical/dental appointments
 - Exceptional family circumstances e.g. bereavement
 - Day of religious observance (see Appendix 2)
 - Exclusion from school
- Absence will not be authorised for such reasons as:
 - Looking after brothers/sisters/unwell parents/carers
 - Birthdays, weddings and other family celebrations
 - Days out,
 - Shopping trips
- Family holidays where permission has not been granted (please note, family holidays during term time will not normally be approved).
- Medical/dental and other appointments should be arranged out of school hours wherever possible. Where this is not possible, children should, where practically possible, come to

school before the appointment, sign out and return to school after the appointment. Should the academy require evidence of a medical appointment this will be requested. If a child isn't present for registration due to a medical appointment but is present for the majority of the session a code can be amended to mark the child as present for the session. An Academy can where there are valid reasons authorise up to 10 medical absences (equivalent of 5 school days: each school day made up of 2 sessions) without evidence from a medical authority, but an Academy reserves the right to ask for medical evidence for any absence during the school year.

- Following an explanation from parents/carers regarding a young person/child's absence, the Academy will decide whether or not it accepts the explanation and authorize / unauthorise accordingly.
- Absence which hasn't been explained will remain as unauthorised.
- Parents/carers should not take their children out of school for days out, to attend sporting events, etc.

How we Respond to Absence/Lateness

- If a young person/child is absent at morning registration without contact from a parent/carer to explain the absence, the Academy will contact parents/carers. We take our safeguarding responsibilities seriously and will always do our best to contact parents/carers to ensure that they are aware of their child's absence. Contact will be via phone which we will attempt to phone mobile numbers or landline for the priority contact number. Parents/carers are able to respond directly upon receiving this call. Alternatively, where a message has been left by the Academy, a parent should contact the Academy Reception. The Academy asks that parents/carers ensure that the Academy has the most up to date contact details at all times including at least one landline contact number where possible.
- Where a child's/young person's absence is cause for concern, the Academy will write to parents/carers and/or invite the parents/carers into school or visit parents/carers at home. (Appendix 6)
- Where no sustained improvement in attendance is demonstrated despite intervention, the Fast Track to Attendance process will be followed (Appendix 3). Fixed Penalty notices may be issued in line with Local Authority's Code of Attendance.

Persistent Absence

Nationally, a child/young person becomes a 'Persistent Absentee' (PA) when they miss 10% of their schooling across the academic year for whatever reason and results in the child having an attendance figure of 90% or less. Absence at this level is causing considerable damage to any child's educational prospects and we need parents'/carers' fullest support and co-operation to tackle this. Any child whose attendance has reached the PA threshold or is at risk of moving towards that threshold is given priority for intervention. Intervention may be via:

- An action plan to improve attendance will be created which may involve an Early help process and referrals to other agencies alongside meetings between relevant Academy staff and

parents/carers.

- Where parents/carers fail to co-operate with support and strategies provided by the Academy, further advice may be sought which could lead to legal sanctions being imposed.
- The School and Trust reserves the right to use the Educational Welfare Services to support the absence policy and work with families to resolve attendance and punctuality matters.

Persistent Absence data is communicated to the relevant Local Authority and Department for Education via the School Census on a termly and annual basis.

Leave of Absence during Term Time

Any absence interrupts the continuity of child's learning. Only exceptional circumstances warrant an authorised leave of absence. Parents/carers are strongly urged not to take children out of school for holidays during term time

It is expected that a Request Form is submitted to the Academy/School Office at least **4 weeks** in advance of the proposed absence. All factors that need to be considered must be stated on the request form. The Academy has the right to refer the case to the Local Authority to consider serving a Fixed Penalty Notice on parents/carers who insist on taking their children out of school without authorisation. Fixed penalties require **each parent to pay a fine**. Failure to pay within the specified timescale could result in prosecution in the Magistrates Court for failure to ensure regular school attendance. This legislation also applies to any child taking leave of absence without prior notification to the Academy.

Re-integration following Long-term Absence

Where a child has been absent for a prolonged period of time, perhaps due to illness, the Academy will:

- Welcome the child back to the Academy and value their return.
- Provide support for the child/young person in consultation with parents/carers to enable a successful return to the Academy.
- Ensure that all relevant staff are informed of the circumstances.
- Work with other agencies, where appropriate, to ensure a successful outcome.
- Consider a personalised programme of return if appropriate.
- Nominate a key member of staff to monitor and review the young person's/child's return if appropriate.

Promoting Good Attendance and Punctuality

- Children and young people are regularly informed of their attendance levels and, if appropriate, how they can improve, i.e. reports and attendance awards.
- Where appropriate, children whose attendance falls below the appropriate target for the

Academy will be set a target for improvement and progress towards these targets will be regularly reviewed.

- Excellent attendance and punctuality will be promoted and rewarded.
- Children/ young people, parents/carers and staff are regularly reminded about the importance of excellent attendance.
- Parents/carers are encouraged to contact the Academy Attendance Officer at any time to discuss their child's/ young person's attendance.
- Regular meetings will be held with the appropriate members of staff/external agencies to identify and support those children/ young person whose attendance is a cause for concern.
- Children/ young people who have been absent for extended periods of time will be supported as appropriate to re-integrate back into the Academy.
- Children/ young person's attendance will be reported at least annually in line with our annual pupil report system.

Attendance Data and Targets

- The Trust central team in conjunction with the Head Teacher will set an attendance target, taking into account National attendance figures to be approved by the Board of Trustees.
- The target for all children is to strive for 100% attendance. Only by achieving full attendance can children expect to achieve their full potential.
- Attendance data will be collected and analysed and used to inform the Academy's attendance practices and interventions.
- Individual child data will be analysed and monitored to enable early intervention.
- Attendance data is provided on termly basis to the Board of Trustees and the Trust Central Team.
- Attendance data and persistent absence data is communicated to the Local Authority and DfE
- The Academy will use the Brom Com to monitor attendance on a daily, monthly and termly basis.

Statutory Requirements, the Law and the Local Authority

- Registers are legal documents; regulatory requirements placed on schools regarding the keeping of registers are to be found in the Education (Pupil Registration) Regulations 2006.
- Section 7 of the Education Act 1996 states that parents/carers are responsible to ensure their child receives a suitable education.

- Under section 444 of the Education Act 1996, a parent who fails to ensure their child attends the school at which they are registered, is guilty of an offence.
- The Academy works together with the relevant Local Authority to ensure that parents/carers fulfil their responsibility. There are a range of legal sanctions that may be imposed for dealing with unauthorised absence: Fixed Penalty Notices, Parenting Contracts and Orders, Education Supervision Orders or referral to the Magistrates Court which can recommend fines (up to £2500) or up to 3 months in prison.
- All sanctions are used to improve attendance and punctuality and reduce absence.

- Utilise attendance data to inform strategic planning

Removing a child/young person from school roll and guidance for Elective Home Education

On receipt of written notification to home educate, schools must inform the pupil's local authority that the pupil is to be deleted from the admission register. Schools should not seek to persuade parents to educate their children at home as a way of avoiding excluding the pupil or because the pupil has a poor attendance record. Schools and local authorities should not seek to prevent parents from educating their children outside the school system. There is no requirement for parents to obtain the school or local authority's agreement to educate their child at home. Parents have a duty to ensure their child of compulsory school age receives suitable full time

education but this does not have to be at a school

All schools must notify the LA when they are about to remove a pupil's name from the school admission register at a non-standard transition point, otherwise known as an in-year leaver.

Further guidance is available at:-

<https://www.devon.gov.uk/educationandfamilies/school-information/school-attendance>

<https://www.gov.uk/school-attendance-absence/overview>

When removing a pupil's name, the notification must include:

- a) the full name of the pupil
- b) the full name and address of any parent with whom the pupil normally resides
- c) at least one telephone number of the parent
- d) the pupil's future address and destination school, if applicable
- e) the ground in regulation 8 under which the pupil's name is to be removed from the admission register.

Schools must make reasonable enquiries to establish the whereabouts of the child jointly with the LA, before deleting the pupil's name from the register if the deletion is under regulation 8(1), sub-paragraphs (f)(iii) and (h)(iii).

Schools can use the [SL1 form](#) to notify the LA, unless they provide information using B2B. The SL1 form enables for parents to give information but it can be completed by the school if a parent fails to do so.

All schools must notify the LA upon receipt of written notification from the parents that the pupil is receiving education otherwise than at school. The [EHE Pupil Safeguarding Form](#) should be completed in all cases.

“Absence to take part in any day set aside exclusively for religious observance by the religious body to which the parents belong, including religious festivals.”

If the religious body has not set the day apart, there is no requirement for the Academy to approve the absence or grant leave of absence.

Individual religions and their religious observance are too numerous to detail in this document.

Parents should contact the Academy to request leave of absence for all religious observance.

APPLICATION FOR ABSENCE FROM SCHOOL

Parents do **not** have a right to take their children out of school for holidays during term time. By law you must ask permission for your child to miss school. If you don't you risk the school referring the case to the Local Authority and this could result in a fixed penalty notice or court summons. Newport Community School Primary Academy follows a clear policy on holiday absence, but it is up to the Head Teacher of the school to decide whether or not the absence will be authorised. A copy of the full Attendance and Punctuality Policy is available on the School's website)

Parents wishing to apply for their child to have leave from school should complete this form and return it to school for authorisation at least 4 weeks in advance of the proposed leave.

Some things to consider in respect of taking children out of school during term time:

- Children/young people must attend school regularly to achieve their full potential
- Children/young people who are kept out of school can feel vulnerable and miss out on key work
- Family Holidays in term time are disruptive to children's learning and no holidays will be authorised unless under exceptional circumstances. Cost is not an exceptional circumstance.
- On average children who miss 10 or more days per school year fall behind significantly and can lose significant ground on their peers.

Newport Community School Primary Academy states that absence during term time **cannot be authorised unless under exceptional circumstances.**

If, under the above circumstances, parents or carers take their child from school for a holiday, their child's absence will be recorded as unauthorised in the class register.

No holidays will be authorised in term time except in exceptional circumstances.

Other Absence from school will be authorised if it is for the following reasons:

- Genuine illness
- Unavoidable medical/dental appointments (but try to make these after school if at all possible) – evidence may be requested by the school
- Day of religious observance (one day only)
- Exceptional circumstances, such as bereavement
- Seeing a parent who is on leave from the armed forces
- External examinations

- When Traveller children go on the road with their parents
- When a child is competing in a sport or playing an instrument at county, regional or national level. (Evidence may be requested by the school)

Application Form

Parents wishing to apply for their child to have leave from school should complete the form overleaf and return it to school for authorisation.

Thank you

Head Teacher

PLEASE COMPLETE ONE APPLICATION PER CHILD

Parents of Nursery Children are permitted to request holiday leave in term time if at the same time of the holiday the child is in Nursery. Please use the appropriate form for a nursery child.

WARNING: Parents should ensure that they know whether the absence will be authorised or not before they go away as an unauthorised absence will likely result in a penalty notice or court summons being issued to each parent for each pupil affected following the case(s) being referred to the local Authority. It is therefore recommended that this completed form is sent into the school at least four school weeks before the intended absence. (See the School's Attendance and Punctuality Policy)

APPENDIX 4 – Fast Track to Attendance Academy Flow Chart

The following process outlines how the Fast Track process should be followed and what meetings/letters should be used at each stage. The process may be deviated from to support the individual circumstances of each case where the Academy deems it necessary to support the needs of the child/young person.

Dear,

Re. School Attendance.

I am writing to inform you that _____'s attendance is currently ____%. S/He has missed ____ days of school on _____different occasions.

Parents are responsible in law for ensuring that their children attend school regularly and attendance below 90% is of high concern and classed as persistent absence. The Local Authority's Education Welfare Service monitor persistent absence and the Local Authority may take legal action if your child's attendance does not improve

For a child to achieve their full potential and make progress and development, children need to be in school as consistently as possible and their attendance to be at least above 95%. Attendance below 90% would equate to a child missing 27 weeks of Primary school which is a significant amount of their school life.

Please contact the school office if you would like to discuss _____'s attendance or we can be of any support.

Yours sincerely, Headteacher

Attendance Letter 2.

Re. School Attendance.

Following my letter of _____ I am writing to inform you that _____'s attendance remains a cause for concern and is currently __%. S/He has missed __ days of school on __different occasions.

As you know parents are responsible in law for ensuring that their children attend school regularly and attendance below 90% is of high concern and classed as persistent absence. The Local Authority's Education Welfare Service monitor persistent absence and the Local Authority may take legal action if your child's attendance does not improve

Please contact the school office immediately to arrange an appointment to discuss _____,

s attendance and how we can work together to improve the current situation.

Yours sincerely, Headteacher

Attendance Letter 3.

Dear,

Re. School Attendance.

Following our meeting on _____ I am writing to inform you that _____'s attendance is now a serious concern and is currently __%. S/He has missed _____ days of school on _____ different occasions.

I am aware that the absences are generally explained, but must reiterate that this level of absence is unacceptable. As discussed at our meeting, a referral will now be made to the Local Authority Education Welfare Service who will contact you as soon as possible.

We will of course continue to offer every support to help your child improve their attendance and I would be happy to discuss the matter with you.

Please contact the school office to arrange to speak to me if you would like to discuss this letter or _____'s continued absence.

Yours sincerely,

Headteacher
