

### Our learning this week – Houses and Homes

Each week in the nursery we will focus on a different concept. Our learning inputs, books, songs and provision within the nursery environment are carefully planned to support the development of the focus concept.

It is our aim to use the language linked to the concept as much as possible throughout the week whilst talking and playing with your child so that their understanding and use of new vocabulary widens.

This week our concept in the nursery is: **Houses and Homes**.

Our hook back concept is: **Food and Meals**.

Our hook back allows us to revisit some of the key language to further embed previous learning.

The concept language for **Houses and Homes** is:

Level 1	Level 2	Level 3	Level 4
Home	House Bedroom Garden	Kitchen Bathroom	Living Room Hallway Loft Attic Cellar Flat Bungalow

In the nursery this week we will be reading:

<i>In Every House in Every Street</i>	<i>The Three Pigs</i>	<i>Home</i>	<i>Errol's Garden</i>
---------------------------------------	-----------------------	-------------	-----------------------

**This week in the nursery some of our provision will include:**

- Building/ drawing houses
- Kitchen/house role play
- Doll's house
- Den building

**Also in the nursery this week:**

<b>Maths</b>	Exploring 'more' and 'less'
<b>Literacy</b>	Exploring syllables through music and games

If you would like to support your child to develop their understanding and use of the above vocabulary, here are some suggestions for you to try:

- Talk about different types of houses that you spot
- Talk about different rooms in the house and what you do in them
- Play 'hide and seek' at home
- Build homes for toys using bricks or cardboard
