

Public Health Nursing - Contact Details (PHN hubs)

The PHN hubs and the Chat Health texting service continue to operate and have been prioritised throughout the Covid-19 pandemic.

Please continue to signpost young people to Chat Health, and advertise this service as widely as possible, where they can access confidential information and advice via a School Nurse.

We have continued to receive and respond to referrals into the service and have been offering a mix of phone contacts, video conferencing and face to face contacts based on the needs of children, young people, and families.
