

Newport Nursery - Language Led Learning

At Newport, we recognise that early language development is fundamental to a child’s successful journey through education. Because of this, each week in the nursery, we will be focusing on developing the language for a different concept.

Our planned provision and learning environment will provide opportunities for concept language to be used through dialogue between the nursery staff and the children.

Research has shown that learning is effective when there is a time delay before it is revisited. Because of this, previous concepts will be revisited alongside new concepts after four weeks.

Week	Concept	Hook Back Concept
1	Emotions/Feelings	-
2	Food (meal times)	-
3	Colour	-
4	Size and Weight	-
5	Movement	Emotions/Feelings
6	Houses and Home	Food (meal times)
7	Shape	Colour
8	Clothes	Size and Weight
9	Space and Preposition	Movement
10	Family	Houses and Home
11	Quantity	Shape
12	Quality	Clothes
