

# NEWPORT COMMUNITY SCHOOL PRIMARY ACADEMY

# SCHOOL UNIFORM POLICY

**Date Adopted: 8<sup>th</sup> May 2019**

**Author/owner: LGB**

**Anticipated Review: Summer 2020**

## **Rationale**

We believe that the wearing of a school uniform enables children to identify with their school, gives a sense of belonging, is practical and smart, reinforces a positive work ethos and reduces expenditure for parents/carers. It is our policy that all children wear uniform when attending school, representing school or participating in a school organised event outside normal school hours (except residential visits and social evenings.)

## **Aims**

- Promotes a sense of pride in the school
- Assists in maintaining the focus of the Academy's work on learning
- Engenders a sense of community and belonging to the school
- All children wear the correct uniform to school which presents children as being equal in appearance
- The uniform is designed with health and safety in mind
- Parents/carers share the expectations of the school

## **School Expectations**

- It is expected that children wear the school uniform each day, with the appropriate footwear.
- The school prospectus/website provides parents/carers with full details of the uniform to be worn (see below).
- Most items of uniform can be purchased from either the School Office, online or from High Street retailers and supermarkets – see details below.
- Second-hand items are available via the school office. Parents are informed by newsletter when such sales take place. The second-hand sales are managed by Academy staff.
- If a child does not wear the correct uniform or P.E. kit, a verbal reminder of our expectations will be communicated to the child and following this, if non-compliance, then a verbal or written note will be communicated to parents/carers.(see Appendix 1). Further non-compliance will result in a meeting with parents to resolve the matter.

- If a child arrives at school wearing inappropriate clothing which causes concern (eg unsuitable for the weather, too revealing, offensive/unsuitable slogans, etc) then the school will provide uniform for the child to wear for the day.
- P.E. kit should be kept in school all week and only taken home at weekends for washing unless more frequent washing is needed.
- Parents are asked to clearly label every item of school clothing with their child's name.
- The children are responsible for taking care of their own items of uniform.
- There is a container for lost property located near the Y2 classes. Good quality items will be released to the second hand shop. Any poor quality items left unclaimed are periodically disposed of at the end of each term either by recycling or through the school's waste disposal systems.
- If there is any reason why a child cannot wear our uniform or requires special dispensation (eg health or religious grounds) then the governors will consider sympathetically any such request from a parent/carer. Requests should be made in writing to the Local Governing Body.

### Details of Nursery School Clothing

Children in the Academy's nursery are encouraged to wear an Academy green T-shirt and sweatshirt each day. Parents may choose other clothing to suit, but children should not come to the nursery in dressing up clothes. Dressing up clothes are available to all children in the nursery.

A **reading bag** is given to each child in nursery or reception and replaced in year 3. If the bag is lost it should be replaced at the parents' expense. Replacements are available from the School Office.

### Hair cuts

Haircuts are a matter for parents to decide upon. The Academy will, however, not permit haircuts which support logos or are aimed at causing offence. The Academy reserves the right to ask parents to collect their child from school in such circumstances. Haircuts which distract children from their learning should be discouraged. Each child should support a hairstyle which is conducive to good learning and easy for the child to manage with regard to P.E.

Hair bands should be plain green or yellow and appropriate to the uniform. Head scarves and other adornments are not permitted unless for religious or cultural reasons.

Long hair should always be tied back for both boys and girls.

## P.E. Kit Year R to Year 6

- Academy Tracksuit – compulsory in Y3 – 6, optional in YR-2
- White / yellow T-shirt (will be phased out in July 2019)
- Black school PE top as supplied by Price and Buckland, except for Y6 Pupils in 2019/20
- Black shorts
- White sports socks
- A plastic bag for wet, muddy kit
- Trainers (not daps or plimsolls)

Pupils will be expected to undertake PE outside all year.

As part of their P.E. provision, children in YR, KS1 and KS2 will be involved in regular school based interclass P.E. activities and competitions. Activities will include cross country, athletics, multi skills, netball, football and other team and individual sports. As most of these activities will take place outside, children will need an extra layer of clothing as detailed above.

Children may also need football boots and shin pads or swimming costume and towel in order to participate in these sports at times during their education at Newport. Swimming goggles may be worn in swimming lessons – they must be ASA approved. Swimming begins in Year 3. Please note that gymnastics, dance and apparatus work must, in accordance with Academy policy, be performed in bare feet. Long hair should always be tied back. Mouth guards will be required where hard ball hockey is provided.

### Art Apron

An art apron will be provided by the Academy for use in practical lessons. The art apron should be worn for all relevant activities.

### Jewellery

- For safety reasons children must not wear bracelets, brooches or necklaces.
- Children may wear watches, but must be responsible for them. All watches must be removed for PE
- Children with pierced ears may wear stud ear piercings only. These studs should be removed or taped by the child before P.E. lessons. All studs must be removed for swimming lessons to prevent loss and injury to other pool users.

**Make-up, transfer tattoos and nail varnish should not be worn at school. Pupils will be asked to remove the make up at school or sent home if this is not possible to carry out easily.**

### Lost Property

We would request that all items of clothing should be clearly labelled with the child's name. If an item is lost or found please refer to the lost property box, which is located near the Cooking Area. **The Academy cannot accept responsibility for lost or damaged items.**

### School Uniform Shop

A school uniform shop was established 2013-14 to sell used items of clothing. The used items, donated by parents, will be regularly sold.

All items of new clothing will be available from the School Office via our supplier Price and Buckland. Orders will be collected by the School Office at regular intervals and sent off to our supplier for return. Emergency orders are available direct to the supplier, but postage and delivery costs will be incurred. The School will stock sample items for sizing purposes and a small stock will be kept for real emergencies, but stock cannot be guaranteed. Parents are advised to plan well ahead when replacing uniform.

**(It is likely that from January 2020 uniform will be supplied through an online section of a local company)**
